

# COVID-19 Downtown Location Policy Adjustments and Process Changes

## I. Policy Adjustment:

- A. Check in and check outs will be curbside..
- B. Lobby closed (Self serve dog wash and tours temporarily suspended)
- C. Reservations required for all services to include daycare.
- D. Credit card on file (Temporarily not accepting cash)
- E. No property with the exception of food and medications.
- F. Interactive Daycare will be “all day play” Monday - Friday with the exception for behavior breaks, heat sensitive pups, geriatric pups and pups that don't self regulate. Saturday & Sunday will be traditional hours (7:30am-12pm & 3:30pm-6pm)
- G. Dogs dropped off for “**Half Day Play**” requesting to be fed will be charged at the full day rate of \$28. These pups will be assigned a run, brought in at 12pm for feeding, take a power nap and return to play at 3:30pm to allow their food to properly digest.
- H. **Boarding “Quick Check In”**: A front desk associate will call you to review any special service request, feeding instructions, recent changes in your pets health and medications in advance for an expedited confirmation signature with a sterilized pen.
- I. Please wear face protection when interacting with Lucy's associates at pick up and drop off.

## II. Curbside Pickup and Dropoff Process For Doggy Daycare.

- A. Pull into an assigned Lucy's parking spot and text listed details to 210-796-3915. (Parking spot, service, your full name & your pups' name) You will receive a confirmation text once an associate has begun to work on your request.
- B. **Drop Off:** When a Lucy's associate comes to your car, please step outside your car with your pup secured on a leash. A Lucy's associate will put a thick, chew resistant slip lead around your pup. Once they communicate they have your pup secured on a Lucy's leash, you will be asked to take off the collar so you can take it with you as we are not keeping any property. **Please avoid the following restraints:** harnesses, gentle leaders, martingale type collars, pinch collars unless needed for safety or medical reasons.
- C. **Pick Up:** After texting your details (see part "A"), an associate will get your pup from the facility. Once your pup has arrived outside of your car, please step out and assist associate in putting on your pups collar while the associate keeps your dog secure. Once you have your pup secure, the associate will get a verbal confirmation that you have your pup secure before taking off the chew resistant slip lead.
