

LUCY'S LENDS A PAW

IN MEMORY OF LULU AND CLEMSON SELDNER

The Seldner family is paying it forward in collaboration with Lucy's Doggy Daycare & Spa! The "Lucy's Lends a Paw" initiative provides all Lucy's associates up to 8 paid hours annually of community service to be used at the local animal rescue organization of their choice.

LuLu and Clemson lived such a blessed life and the Seldner family wanted to memorialize their legacy by serving as many pups as **PAW**ssible who are less fortunate and truly need assistance. This initiative beautifully aligns with Lucy's core value of "continuing Lucy's legacy of giving back to pups in need."

In addition to supporting animal rescues and pups in need, this is an amazing opportunity for Lucy's associates to experience the true gratification of animal rescue community service.
